Aggie Super Circuit Sponsorship Opportunity

Dear Potential Partner,

The 2020 Aggie Super Circuit, a premier quarter horse competition, hosted by the Brazos Extension Horse Committee (BEHC), a 501(c)3 non-profit organization. The BEHC is a group of dedicated equine enthusiasts committed to “Educating, serving, connecting, promoting, and leading”. The BEHC is overseen by the Brazos County AgriLife Extension Service. The event is held at the Brazos County Expo, one of the most advanced special event centers in Texas with the ability to host a variety of agricultural events and competitions. NEW! This year we are also one of 4 TQHA Approved Shows for the TQHA L1/Novice Saddle Series!

One of the longest running, continuous AQHA shows in Texas, the Aggie Super Circuit is nationally recognized as a large and prosperous show. In 2019, the Aggie Super Circuit boasted over 1500 entries and with more than 350 individual participants. As a result, the funds raised from the show are given back to the community in the form of equine related grants, scholarships, educational seminars, free riding clinics, support of other novice shows, and other equine initiatives.

Through your partnerships, the Brazos Extension Horse Committee hopes to further enhance the Aggie Super Circuit as a premier event that supports the equine industry in Texas, and to utilize this event to showcase the Brazos Valley as a leader in hospitality and agriculture education. By partnering with the Aggie Super Circuit, your business can maximize the local financial impact while also providing a positive experience for each attendee and exhibitor that will visit our community.

We look forward to this partnership and invite you to become a sponsor for the 2020 Aggie Super Circuit to be held March 19 – March 22 at the Brazos County Expo. Please consider our sponsorship packages on the following pages and join us in making an impact in the equine and agriculture industry.

Sincerely,

The Aggie Super Circuit Sponsorship Team
